

Meet Teacher Steevens François

Meet Steevens Francois and celebrate his success! Steevens taught third grade at Bon Samaritan School for over 4 years while also himself being a student studying administration. He has now been hired by St. Luc's Episcopal School in Martel (a sister community of Bondeau about 30 minutes farther south) as their School Administrator. This has provided a tremendous growth opportunity for Steevens.

He is also now teaching at the Bon Samaritan Secondary School. As a hard-working, successful young professional, he continues to be a strong community leader and lives in Bondeau.

Steevens is passionate about his teaching job and strives to make a positive difference in the lives of his students.
